Parks & Recreation Snake Safe Training

Snake Safe Training is the best option available to protect your dog from going near rattlesnakes. Also, when you are with a snake-safe trained dog, you're with an early warning system that lets you know when a rattlesnake is nearby. The training is completed in a 2½-hour session. Class will be held in the parking lot of "Dylan's Off Leash Area" which most people know as the SARA dog park. Dogs must be at least 10 months old. Class will be held Saturday, January 23, at 2:00pm. Each class is limited to 20 dogs. Cost is $75.00 per dog. Pre-registration is required and can be done at the Lake Havasu City Recreation/Aquatic Center.
