

# **Announcing Exciting Employment News!**

## **Effective April 1, 2012**

Lake Havasu City Human Resources will implement a new online hiring management system called NEOGOV. The new system will allow us to offer more timely employment service and information. Users of the system will experience the following benefits:

- √ Online completion and submission of job applications from any computer with Internet access
- √ Ability to create and submit an application, or if called away, the ability to stop and save the application for completion later
- √ Ability to create and store multiple applications for review and reuse
- √ Automatic receipt acknowledging application submission– instantly on screen and by e-mail – for each submitted application
- √ Real time updates on application status
- √ Job Interest Cards – ability to register to receive automatic notification of positions of interest as they are posted

Apply using any computer with Internet access (go to [www.lhcaz.gov](http://www.lhcaz.gov) – Career Opportunities). Internet accessible computers are available at the Mohave County Library and a dedicated computer is available in the lobby of City Hall, 2330 McCulloch Blvd.

If you have questions or would like additional information or assistance, call Human Resources at 928-453-4143 or email [hr@lhcaz.gov](mailto:hr@lhcaz.gov). We're happy to help!

**Effective April 1, 2012 - We will no longer accept paper applications.**
