**FOR IMMEDIATE RELEASE**

March 1, 2010

**E-Waste Recycling Event**

Lake Havasu City will be co-hosting an electronic waste recycling event with the Arizona Department of Environmental Quality and the Keep Havasu Beautiful Committee, this Saturday, March 6, at the City Hall parking lot (2330 McCulloch Blvd.) from 10:00 a.m. to 2:00 p.m. Citizens may bring in, free of charge, electronic equipment such as televisions, computers, monitors, printers, batteries, chargers, cell phones, VCR's, CD and DVD players, fax machines, small appliances, electric tools, cables and cords. Most of these items contain toxic chemicals such as heavy metals that would otherwise go into our landfill, with a chance of leaching out into the underlying groundwater over time. "Events like this will not only extend the life our landfill, but should also help minimize "desert dumping", which includes disposing of items in our city washes," said Doyle Wilson, the City's Water Resources Coordinator.
