Fire Station #6 to Close

Projected operating revenue shortfalls and current staffing shortages have prompted the Lake Havasu City Fire Department to close Fire Station 6 located across from the Shops of Havasu Mall at 5600 Highway 95 North. The station will close as of March 1, 2010, until further notice.

“This decision was not taken lightly,” said Fire Chief Dennis Mueller. “The department will do its best to avoid delays in response times, but this is a prime example of how the down economy directly impacts community services. We hope to reopen the facility as soon as revenues will allow.”
