FOR IMMEDIATE RELEASE

January 5, 2010

Garage Fire

At approximately 9:15pm on January 4, 2010, a homeowner reported a fire in a large, five-bay detached garage in the 3800 block of Colt Drive. The occupants discovered smoke coming from their garage but were not able to determine the cause due to the amount of smoke. First arriving fire companies reported a large amount of smoke coming from the garage with fire showing inside the structure. Four engine companies, one truck company, and a Battalion Chief responded to the fire. The first crew on scene was able to make entry into the garage and quickly gain control of the fire. The fire was called under control within 30 minutes and no injuries were reported. Crews remained on the scene an additional five hours helping with salvage and investigation operations. Damages were confined to a 40-foot motor home, contents of the garage, and to the structure, and were estimated at \$500,000. The cause of the fire involved the motor home and is under investigation.
