**Occupant of Fifth Wheel Trailer Burned**

Sunday evening at approximately 7:49p.m., the Lake Havasu City Fire Department responded to the report of a motor home fire in the alley off of Acoma and Kiowa Blvd. The first arriving Fire Company found a 43-year-old male with serious burns to his face and front torso lying in the street. An additional fire crew suppressed a smoldering fire in the fifth wheel travel trailer in addition to establishing a landing zone in the street for the medical helicopter. Three Engine Companies, One Truck Company, and a Battalion Chief responded to the fire. After the Paramedics treated and stabilized the patient, he was transported via Native Air helicopter to the University Medical Center in Las Vegas. Damages were estimated at \$10,000. The cause of the fire remains under investigation.
