FOR IMMEDIATE RELEASE  
November 6, 2009

## **Two Vehicle Injury Accident Closes McCulloch Blvd.**

On November 6, 2009, Lake Havasu City Police and Fire Departments responded to a reported two-vehicle injury accident in the 3000 block of N. McCulloch Blvd. at approximately 8:02 a.m. The initial officers arriving on scene determined the need to block off McCulloch Blvd. between Bermuda Avenue and Eastwind Drive.

Preliminary investigation showed a 1994 Ford Ranger being driven by Lake Havasu City resident Kara Rodriguez was travelling west bound and veered into the east bound traffic lane and into oncoming traffic. Lake Havasu City resident Tim Daniels, driving a 2005 Ford Expedition, attempted to maneuver around the oncoming Ford Ranger. The two vehicles collided causing major damage to both.

Ms. Rodriguez and an unidentified juvenile passenger in the Ford Ranger were transported by ambulance to Havasu Regional Medical Center. Evidence on scene led officers to determine the juvenile was unrestrained and impacted into the truck's windshield, suffering severe lacerations to the head and face. Mr. Daniels was treated on scene and released. The investigation showed he was wearing his seatbelt at the time of the accident.

The police department is requesting any witnesses to this accident contact Officer Clint Wilcox at 928-855-1171.

Lake Havasu City Police emergency 911 dispatchers utilized the Nixle community alert system to notify the public of the closure of McCulloch Blvd. For more information about this free community notification system visit [LHCPD.com](http://LHCPD.com).
