Community Tree Lighting Ceremony Set for December 4

The 31st Annual Christmas Tree Lighting Ceremony will be held in Wheeler Park on Sunday, December 4, at 6 p.m.

McCulloch Boulevard will be blocked from Capri to Riviera at 4 p.m. to prepare for the events and to provide a safe crossing for children and other participants. The Colomonde Chorus will sing Christmas carols and conduct a community sing-a-long.

Mayor Mark Nexsen will throw the switch to light the community tree, which was donated in 1979 by Jim Carr and Ed Frederico. The tree lighting ceremony is being provided by KJJJ, KNTR, KYVL and the Parks and Recreation Department.

As always, Santa Claus will arrive by fire truck, so be sure to bring a camera, as children will have the opportunity to offer Santa their gift requests in person.

Contact: Bart Wagner, 453-8686.
