Free HAT Service for Balloon Fest 2012

Havasu Area Transit (HAT) is offering a “Free Ride Day” for “Balloon Fest 2012”™. On Saturday, January 21, 2012, all HAT buses will operate free of charge. Citizens and visitors are encouraged to park their cars and take a free bus ride to enjoy the activities in the area. Riders can board HAT’s Fixed Route buses and travel to the Downtown Transfer Center where shuttles will be available to transport riders to the Balloon Fest on the Island.

HAT services 95 bus stops located around the Lake Havasu City and Desert Hills area. Saturday bus service will be extended one hour to 7 p.m. so citizens can enjoy the evening balloon ascension. Buses and Trolleys will be operating hourly from 6 a.m. to 7 p.m. Last outbound buses depart the transfer center at 6:30 p.m. The Green Route that services the Shops at Lake Havasu and Desert Hills will operate 9 a.m. – 3:30 p.m. Routes and schedules are available from any HAT driver; City Hall; the Interagency Council; the Lake Havasu City website at www.lhcaz.gov; or by calling HAT dispatch at 453-7600.
