### **Heroin Seized During Search Warrant**

The Lake Havasu City Police Department SWAT team served a narcotic-related search warrant at a residence in the 3000 block of Chemehuevi Boulevard in the early morning hours of January 25, 2012. During the subsequent search by Special Investigation Bureau detectives, approximately 76 grams of heroin was seized along with items used to facilitate the sales of heroin. Those items included packaging material and scales. The heroin is estimated to have a street value of approximately \$7,500. Additionally, detectives seized United States currency, a 2003 BMW, and other high-end household electronic items believed to be proceeds of illegal narcotic sales by the suspect.

Arrested during the search was 26-year-old Lake Havasu City resident Adam Hall. Hall was charged with possession of drug paraphernalia, possession of narcotic drugs, and possession of narcotic drugs for sale. All charges are felonies. Detectives believe Hall was a significant source of heroin in Lake Havasu City. His mother, 48-year-old Lake Havasu City resident Nancy Schiffner was cited and released for possession of drug paraphernalia.

Hall had his initial appearance at the Lake Havasu City Jail and is being held on a \$75,000 bond. He will be transferred to the custody of the Mohave County Sheriff's Office.
