Residential Fire

At approximately 11:34 p.m. on January 3, 2012, a fire was reported by several callers in the 1800 block of South Rainbow Avenue. The first arriving fire unit reported the residence was fully involved. Three engine companies, one truck company, and a Battalion Chief responded to the fire. One occupant and a family dog evacuated the house safely with two other family members returning home to find their house on fire. No injuries were reported by the firefighters. Crews remained on the scene an additional two and a half hours helping with salvage operations. The CERT TEAM also responded and provided assistance. Damages were estimated at \$180,000. The cause of the fire is under investigation.
