Traffic Restrictions for the 2012 Havasu Island Balloon Festival & Fair
January 19 - 22, 2012

Lake Havasu City would like to advise the public that there will be several traffic restrictions and lane closures in place for the 2012 Havasu Island Balloon Festival & Fair beginning Thursday, January 19. These changes will primarily affect Beachcomber and McCulloch Boulevards on and near the Island. Please exercise additional caution when traveling in these areas and pay attention to all signage and markings.

For additional information regarding the event, including parking and traffic maps, please visit the event website at www.havasuballoonfest.com.

All traffic restrictions will be removed at the end of the event on Sunday afternoon, January 22, 2012.

Please direct questions regarding traffic restrictions and closures to the Streets Maintenance Section at (928)855-3377.
