FOR IMMEDIATE RELEASE  
February 14, 2012

### **Winter Blast**

The Western Pyrotechnic Association Winter Blast Event is getting ready to explode! The four-day event will show off some of the biggest and best fireworks displays on the west coast and will be held at the Havasu 95 Speedway track located inside SARA Park off of State Route 95.

The fireworks event will begin Thursday, February 16, during the day and last until Sunday evening. Product Demos take place on Thursday and Friday nights and the Grand Public Displays are set for Saturday and Sunday evenings starting at 8:00pm each night.

Those wishing to attend the event can access SARA Park off of State Route 95 entering the park at Dub Campbell Way and park at the Havasu 95 Speedway and ballfield parking lots or take South McCulloch to access parking areas at the SARA Park Rodeo Grounds. Both parking areas will have a cost of \$5.00 per vehicle for parking. No parking will be allowed along the shoulders of State Route 95.

In addition to the \$5.00 per vehicle parking fee, officials have indicated a \$3.00 per person entrance fee will be charged to enter the bleacher area Friday, Saturday, and Sunday. This fee will assist the Western Pyrotechnic Association to continue bringing the spectacular Grand Public Displays to the event. The bleacher area will open at 2:00 p.m. and children 12 years of age and under will be admitted free. Food vendors will be on hand for the event, bringing food or beverages into the bleacher area will not be permitted.

For more information, contact the Lake Havasu City Parks and Recreation Division at 928-453-8686.
