There is no change in the opening date. **Submissions are due no later than 3:00 p.m., Arizona Time, March 3, 2021**, at the City Clerk's Office, 2330 McCulloch Blvd. N., Lake Havasu City, AZ 86403.

Q/A	DESCRIPTION or ISSUE
1	Question: Do we need to provide geotech/survey, or will the City?
	Answer: The city will not be providing any geotech/survey.
2	Question: What was the former use/history of the site?
	Answer: The property has always been vacant land. An irrigation system was installed by the previous owner and a grass lot was developed on the site. The lot became a place where events are held.
3	Question: To confirm, if we were to use divider pages that had only images on them (no project information), those would count towards the 12-page maximum?
	Answer: <u>Section IV – Submittal Requirements, Page 6</u> : Divider pages, containing no project information, will not count towards the 12-page maximum.
4	Question: Under C. Project Understanding and Approach, #3... “aligning this conversion to the needs of the community...” should that instead read conversation?
	Answer: Yes the word “conversion” is a typo and should be “conversation”.
