ITEM ONE (1): QUESTION AND ANSWER

Question 1: The due date for bids and the deadline for questions in Section 00100 of the bid package are showing dates prior to the publication of this solicitation. Was this a re-bid?

Answer 1: This solicitation was not a re-bid. However, the dates listed in Section 00100 were in the template document and, in error, were not changed prior to publication. The dates and times for the bid due date and the question deadline were correct in Section 00020 (Notice Inviting Bids). As listed there, the due date and time for bid submission is Wednesday, May 21, 2025 at 3:00PM local Arizona time and the deadline to submit questions regarding this solicitation is Monday, May 12, 2025 by 3:00PM local Arizona time. These dates will only be changed via written addendum.
