

LAKE HAVASU CITY, ARIZONA

ADDENDUM NO. 1

Kiowa Drain 3

Project No: B25-PW-105009-500599

Dated: April 8, 2025

This addendum forms a part of the contract described above. The original documents in full force and effect are modified by the following changes. Addendum No. 1 will take precedence over any conflicting provision in the prior documents.

Each bidder shall acknowledge receipt of this addendum and by affixing its signature on the acknowledgement form attached, by noting this addendum on the Bid Form and by attaching this Addendum and/or acknowledgement to its bid.

The following changes are to be made and become part of the Bid/Contract Documents. The changes are as follows:

- 1) Pre-bid questions and responses prepared by the city are enclosed.
- 2) Please find the enclosed non-mandatory pre-bid agenda and sign in sheet.
- 3) Please find the enclosed plan holder list.
- 4) Replace Specifications Section 00420 - Bidders Statement of Qualifications.
- 5) Please find a copy of the MAG Standard detail 145.

By:

Zach Schmidt, P.E.

Date: 4/8/2025

Pre-Bid Questions and Responses:

- 1) How long is the construction days on the project?
180 Calendar Days
- 2) When does the project expected to receive Notice to Proceed for Construction?
October 1, 2025
- 3) What are the hours of work for the Project?
The typical hours of work are listed in city code ordinance section 9.30.070 Construction. The general hours of work listed here are from 5:00am to 10:00pm. No work is expected to be performed on weekends without City staff present unless under direct consent of the project manager.
- 4) Is there a local Business Preference on the project? Disadvantage Business Enterprise or Women Business Enterprise?
No
- 5) Is there a staging area for this project?
The closest potential area that we will allow for staging is located at 2406 Sandwood Drive adjacent to Havasupai Wash 6. It is the contractors responsibility to determine and negotiate a feasible location not owned by the City.
- 6) Is the Remove Handrail Bid Item to Remove and Replace Handrail?
The item to remove handrail is only to remove handrail.
- 7) Where is Safety Handrail Mag 145 Detail?
Safety Handrail is placed at the location of vertical retaining walls as indicated on plan per construction note 7. See the attached detail for Mag 145 Safety Handrail.
- 8) Is there an Engineers Estimate for this Project?
The City does not publish the engineers estimate to keep bids competitive.
- 9) What is the force account used for?
The force account may be used at the discretion of the project manager for changes to the plans & specifications. The force account listed on the project is \$80,000.00.
- 10) Is the force account included in the Bond?
Yes
- 11) Does the project have balance earthwork?
No, there is a net export of 2,195 CY. Please refer to the table listed on Sheet 2 – EARTHWORK QUANTITIES.
- 12) How is soil compaction testing and concrete compressive strength testing paid for?
All materials testing will be paid for under the quality control testing.

- 13) Will the quality control item be used for Continuous Inspection of riprap?
No, the project manager or engineering tech coordinator will be continuous inspecting the placement of riprap materials.
- 14) Is there any Masonry Materials on the project?
No.
