Q/A	DESCRIPTION or ISSUE
1	<p><b>Question:</b> Due to a market shortage of the 3" Tabs, would LHC Staff be willing to accept 3" tabs from manufacturers other than "Accu-Tab" Brand product?</p> <p><b>Answer:</b> Using an acceptable replacement of the Accu-Tab brand product will not be a problem. If the replacement tabs are not obtaining acceptable results, LHC Staff would be able to deny using that particular brand and they would need to provide another of equal NSF Certification.</p>
