| <p>The City identified a system discrepancy in the DemandStar (now Euna OpenBids) Supplier Portal, which displayed the RFSQ due time as 4:00 p.m. Arizona time. The City's portal, however, reflected a 3:00 p.m. due time, after which the system locked and prevented further submittals. This has been verified as a technology issue affecting this solicitation. To ensure fairness and equal opportunity for all participants, the City has issued Addendum No. 2, extending the electronic submission deadline to Friday, August 29, 2025, at 3:00 p.m. Arizona time.</p> | | | |
