TO: Honorable Mayor and Council

FUNDING SOURCE:
CIP - Flood Control

PURPOSE:
Award bid for the Construction Contract 500391 to Perco Rock Company for the Daytona Wash Reach 4 (Project No. B-24-PW-105004-500391) in accordance with City Code §§ 3.10.010.2 (A.R.S. Title 34) and 3.10.030.1.

BACKGROUND:
As part of the Wash Stabilization Program, the City commissioned a two-part study to evaluate, prioritize, and recommend improvements for the system of washes within the City boundaries. Daytona Wash (Reach) 4, located between Oak Drive and Snead Drive, was listed as the 7th worst reach in the City limits.

Due to the priority ranking for the Daytona Wash Reach 4, Public Works selected Wilson and Company to prepare the plans and specifications for the proposed project.

On August 16, 2023, sealed bids were opened for the project and two (2) bids were received in response. Correct math was applied for the bid results.

The lowest responsive bidder is:

 Additive Alternate: \$485,606

COMMUNITY IMPACT:
This project will provide drainage improvements and slope stabilization measures to an important residential wash in our City.
