ITB DESCRIPTION: Replacement of two chain & rake bar screen systems and a washpactor/compactor that shall receive the flow of wastewater from the Lake Havasu City (LHC) owned Influent Pump Station (IPS). The screenings and solids will discharge into the new trough to a new washpactor/compactor with sufficient wash water to allow them to flow to washpactor. The screens will be installed into an existing channel as shown on provided drawings and accommodate the flow pattern through the screen belt. Both will have local start/stop, emergency stop, and main variable frequency drive (VFD) control panel that shall be located in the screens building MCC. Both screens will also be sequenced to start washpactor/compactor at the start of belt/band. The City will install the equipment using either City crews or will issue a separate contract with a non-City contract crew.

It is the sole responsibility of the Bidder to ensure the City receives the bid by the specified time. ALL BIDS MUST BE TIME STAMPED BY THE CITY BY THE STATED DEADLINE. All late bids shall be rejected.

The outside of the sealed package must be clearly marked "**Sealed Bid**" with the **Bidder's Name, Address, Bid Title** and **Number**, and the **Closing Date**. **Bidder will submit one (1) original of the bid response.** Bidder should retain a copy for their records. All bids must be completed in ink or typewritten on a form to be obtained from the ITB documents and returned by the time cited above.

Lake Havasu City may reject any bid not in compliance with all prescribed public competitive procurement procedures and requirements, and may reject for good cause any or all bids if Lake Havasu City finds it is in the public interest to do so.

Pre-Bid Conference: A Pre-Bid conference will be held September 14, 2020 at 10:00AM, Arizona Time, at the North Regional Wastewater Treatment Plant, 7001 Whelan Drive, Lake Havasu City, Arizona 86404. The Pre-Bid may be attended virtually by accessing the above-referenced video conferencing system link and phone number, meeting ID access.
