LAKE HAVASU CITY FIRE DEPARTMENT

Fire Prevention Bureau

2330 McCulloch Blvd. N.
Lake Havasu City, AZ 86403
(928) 855-1141 lhcfire@lhcaz.gov

This application must be completely filled out and all attachments provided to be processed. Contact Fire Administration with any questions at (928) 855-1141 or email lhcfire@lhcaz.gov.

Approved Plans/Issued Permit(s) are required to be onsite prior to inspection. Work without a permit may result in a RED TAG / Stop Work Order. Do not cover or conceal work without inspection. A re-inspection fee may be assessed for inspection failure, inspection site not ready for inspection, or cancellation without 24-hour notice. All future communications regarding this application/permit from the city will be sent to the email address provided above.

A person may request the City to clarify its interpretation or application of a statute, ordinance, code, or policy affecting the processing of this application pursuant to A.R.S. § 9-839.

I certify that I reviewed and understand the above information, to the best of my knowledge the information provided herein is accurate and true, and I am authorized to execute this application. I further certify that the work conducted under this permit shall conform in all respects to plans submitted in conjunction with this application, that all work will be done in accordance with all local, state, and federal regulations, and that occupancy or use of any structure will not be permitted or commence until a Certificate of Occupancy is duly issued; and that failure to comply with this requirement may result in a citation being filed. I acknowledge that this permit may be revoked at any time by a representative of the Lake Havasu City Fire Department when conditions put public safety at risk.
