

## Horizon Six Improvement District, Mohave County

The Horizon Six Improvement District, also known as Donkey Acres, is located east of Lake Havasu City and situated in unincorporated Mohave County. The Horizon Six Improvement District is outside of the Lake Havasu City limits and governed by the Mohave County Board of Supervisors acting as the Board of Directors for the District. There is currently no agreement or obligation for Lake Havasu City to provide fire or emergency medical services to the Horizon Six Improvement District area.

The Lake Havasu City Fire Department may respond to incidents in the Horizon Six area only when a request is made and if resources are available. Residents and property owners in the Horizon Six area who receive fire or medical emergency services from Lake Havasu City will be responsible for all associated costs related to the resources and services rendered.
