

Sample Statement

ACCOUNT INFORMATION

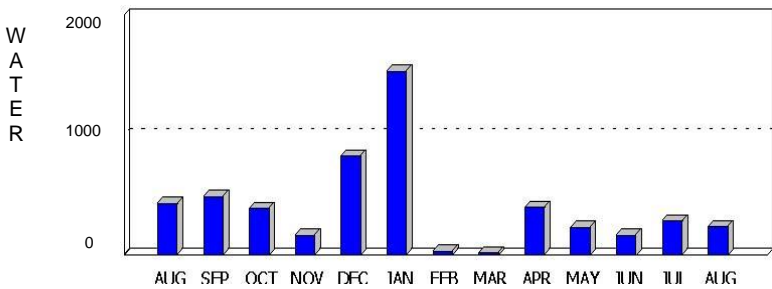

The Winter Quarter Average usage period begins on **11/19/2018** and ends on **4/11/2019**. The City is divided into four cycles; your start date will vary depending on your location.

In order to achieve the minimum sewer rate of \$41.00 your average monthly water consumption must be **562** cubic feet or less. Your consumption can be found in the *Water Meter Information* section of your monthly billing statement.

WATER METER INFORMATION (CUBIC FEET)

Meter	Type	Current	Previous	Usage
12345678	WA	100562	100000	562

WATER CONSUMPTION HISTORY

This graph displays monthly water usage. A spike in usage may be the result of a failing water device such as a water softener, pressure regulator, a running toilet or an irrigation leak. Address these issues as quickly as possible.

Your sewer charge consists of a base amount of \$41.00 + \$7.30 for every 100 cubic feet of water consumed exceeding 562 cubic feet.

MONTHLY BASE CHARGE	\$5.16
SW SEWER	\$41.00
WA WATER	\$7.31
TR TRASH	\$16.38
SALES TAX	\$1.20
TOTAL CURRENT CHARGES	\$70.88

WINTER QUARTER AVERAGING IS HERE!

Lake Havasu City residents can save on monthly sewer costs by conserving water during winter months.

The City will take the average of the billed water usage for the 3 lowest of the 4 winter months. This average determines your sewer charge for the 12 months that begin in May 2019.

In order to achieve the minimum sewer rate of \$41.00, your average monthly water consumption must be 562 cubic feet or less. Your consumption can be found in the *Water Meter Information* section of your monthly billing statement. Sample Statements are available at the Customer Service Window located in City Hall and will highlight the fields you should review to monitor your usage. A Sample Statement is also available on the City's website at [www.lakehavasu.org](#) in the *News and Updates* section located in the lower center of the [Home](#) page.

NEW CHARGES

The Winter Quarter Average usage period begins on **11/19/2018** and ends on **4/11/2018**. The City is divided into 4 cycles; your start date will vary depending on your location. For your specific start date please review the *Special Message* field on your next utility statement.
